Additional information

1. *DJ Dance Party* – On May 25th, ISEG is throwing an end of the semester party for the students, teachers and alumni of its sustainable finance course. Anyone in this group already in Lisbon is welcome to attend. Contact Sofia Santos for details: sofia.santos@systemic.pt
2. *Lodging* – Lisbon is an easy city to navigate, but for convenience you may want to consider neighborhoods near ISEG which is to the West of the city center (Baixa). Popular areas in that side of town include Bairro Alto, Santos, Principe Real and Lapa.
3. *Rick in Lisbon* – I plan on being in Lisbon from May 24-29th. If you are there earlier, drop me a line.
